ABOUT US

Aarohi Education Consultancy is dedicated to guiding students toward meaningful international education opportunities with honesty, clarity, and expert support. Based in Kathmandu, we specialize in helping students navigate the study abroad process with confidence, providing reliable guidance tailored to individual academic goals and career aspirations.

We offer personalized counseling, careful university and program selection, admission assistance, and visa guidance, ensuring a smooth and transparent journey from initial consultation to enrollment. Our approach is student-focused, ethical, and detail-oriented, designed to simplify complex procedures and empower informed decision-making. In addition to admission support, we place strong emphasis on language and test preparation, including English proficiency exams and other standardized tests. Our qualified instructors and trainers work closely with students to strengthen their academic readiness and confidence.

At Aarohi Education Consultancy, we believe that every student deserves the right guidance toward a brighter future. Our holistic approach ensures that students receive complete support from career counseling to post-admission assistance—under one roof.
